Summary: A poem from one of the characters in a fanfic series(Renee)  
I write to David (the rat)

The Rat

They told me you were evil, David -- told me it was all your fault

Told me you were nothing but a curse, a liar, a treacherous youth

Told me that you were the one who almost brought them down

And I have to wonder if they told me even a hint of the truth

—

For now as I see deep into your eyes

Sorrowful and longing and hurt

I realize that what they told me was just a set of lies

And wonder who's the evil one -- wonder who is worse

—

Where am I supposed to stand when all of you are killers?

Who am I supposed to fight when there's no shade of truth?

Do I let you end their lives? Do I allow them to end yours?

I hold the key; I hold the truth; I alone can stop them...or you

End  
file.
